SUBJECT: Increase in Compensation for Physicians Employed on WAE Basis

1. This memorandum submits a recommendation for approval of the Deputy Director of Central Intelligence. Such recommendation is contained in paragraph 5.

25X1

2. Doctors [redacted] have served with the Medical Staff since 19 January 1950 and 10 December 1951, respectively, in a professional capacity. Their hours of service are limited to 20 hours or less each week. These physicians are now compensated at the rate of \$7.50 per hour for each hour of service and the Medical Staff has requested that this rate be increased to \$8.00 per hour.

3. The Department of State, which obtains the services of private physicians under a similar arrangement, has applied the following scale of payment:

Starting salary	\$6.00 per hour
After one year's service	6.50 per hour
After two years' service	7.00 per hour
After three years' service	7.50 per hour
After four years' service	8.00 per hour

4. The \$8.00 per hour rate, if projected on an annual basis, would amount to \$16,640 which is in excess of the maximum GS-15 rate (\$13,970) and, in accordance with paragraph [redacted] requires your approval. (Taking into account the 20-hour per week limit contained in the contract, the maximum which could be paid in a year even at the new \$8.00 rate is \$8,320.)

5. It is recommended that you approve the amendment of contracts for [redacted] to provide for payment at the rate of \$8.00 per hour.
